

Job Description for Graphic Designer - Full Time

Anglin Public Relations of Oklahoma City is a collaborative firm specializing in comprehensive PR and strategic marketing for businesses, associations, nonprofits and government entities. We have a lean and mighty team with a diverse set of skills. We come from different industries and we each apply our experience to a myriad of projects. We have a 20 +-year history of serving clients across Oklahoma with insight and care. Finally, we have a bold vision for the future of our company and our community and we grow, evolve and adapt to better serve our clients.

Here's what we need:

Anglin PR is seeking a Graphic Designer who can communicate brands visually and effectively. We're looking for someone who can apply appealing strategic design to communicate ideas that inspire, inform, and captivate.

The Job:

The Graphic Designer will understand how to use two or three-dimensional art to relay visual concepts. They may design branded assets, logos, social media posts, advertisements and other visual and graphic materials for use by client and internal departments.

The Skills:

- High proficiency in Adobe Creative Suite (Photoshop, Illustrator, InDesign)
- Deep knowledge of design and visual principles with an eye for detail
- Demonstrated portfolio showing creative, design and software skills
- Ability to communicate clearly, including design choices
- Ability to work as part of a team, take feedback and direction, and pivot when needed
- Experience prioritizing and managing multiple projects within tight deadlines
- Experience in animation or motion graphics is a bonus!

The Responsibilities:

- Translating client needs and branding strategies into design strategies
- Designing visual assets using graphic design tools
- Selecting colors, fonts, photographs, layouts and other design elements to
- Collaborating with team members to create a variety of media
- Articulating and pitching design concepts to coworkers and clients

If dreams come true, we will find someone with:

- Experience in an agency setting, working for a variety of clients
- Website design skills in Wordpress, Wix or Squarespace

Anglin PR values diversity and welcomes all qualified applicants.

The salary range for this position is \$45,000 - \$55,000.

Must be available at least 40 hours a week and to work in person at Anglin PR's Oklahoma City office at least 3 days per week. We allow some work-from-home scheduling.

Please submit a resume and portfolio of your work to:
